SHIELD: Leading the Way to IVD Semantic Interoperability

Moderator: Michael Waters, PhD; FDA|CDRH|OHT7|OIR

Panelists:

• Pamela Banning, MLS(ASCP)cm, PMP; 3M
• Hans Buitendijk, MSc; Cerner Corporation
• Jonathan Nebeker, MD; Department of Veterans Affairs
• Rajeev Sehgal, MBA; BD Life Sciences
• Timothy Stenzel, MD, PhD; FDA|CDRH|OHT7|OIR
SHIELD: Leading the Way to IVD Semantic Interoperability

• Introductions (5 min)

• Need – Enable RWE collection & analysis for clinical decision support (10 min)

• Problem – Lack of electronic data interoperability hinders ability to collect, understand, analyze and act on data, e.g. for patient care (15 min)

• Solution – What are we doing to incentivize adoption and implementation? (15 min)
